*Living a Life of Prayer —  
Leading a Congregation in a Life of Prayer*

Reflections and resources from a recently retired priest  
on 45 years of parish ministry

The Rev. Dr. Raymond Howe will invite us to explore a variety of spiritual resources and to reflect on the relationship between our own life of prayer as clergy and the life of prayer of our congregations. Ray has completed the program of the Academy for Spiritual Formation and will draw on their many resources as well as his own rich experiences in conducting this retreat. A high point of Ray's life was the Spiritual Exercises of St. Ignatius, a thirty-day silent directed retreat, which he undertook in 1995.

We request that you send full payment in advance. This makes our transactions with the retreat center go a bit more smoothly. If requesting scholarship support – and every year scholarship funds go begging so we encourage applications – please indicate the amount of scholarship for which you are applying and pay the remainder. The fee includes meals from Tuesday dinner through Friday lunch and three nights of lodging. We can usually adjust the fee if you cannot stay the whole time. We would appreciate having reservations in hand by **August 29<sup>th</sup>**. Directions to Our Lady of Calvary are available at this web page: <http://www.ourladyofcalvary.com/directions.html>. The address is 31 Colton Street, Farmington, CT, 06032, phone (860) 677-8519.

**Please fill out the form below and send it with your check payable to FVC to:**

**The Rev. William Loring, 15 Pleasant Drive, Danbury, CT 06811-3828**

Additional contributions are welcome, and it is a bit easier to handle if they are in separate checks.
